SOME OF THE MAIN THINGS YOU’LL BE DOING:

• Co-ordinate and implement the next stage in planting of the forest garden at Schumacher college in association with lead gardener and gardens team.
• Oversee the tree nursery external sales and as a educational resource
• Assist with propagation plants for the above
• Support the Head gardener on the planning and implementation of the programme of work for the College grounds, including wildlife areas, perennial and annual food production areas and ornamental gardens
• Lead a range of gardening groups in practical gardening activities.
• Engage and inspire students and other community members in sustainable and ecological horticultural practices
• Ability to self motivate and organise own work schedule in Forest garden and tree nursery.
• This list can never be exhaustive but covers most of the work you’ll be doing. What it can’t replace is talent, initiative and a commitment to delivering great customer service with genuine care in a transformative learning environment

ROLE DETAILS:

DEPARTMENT: Schumacher College (Sustainability)

REPORTING TO: Head Gardener and Programme Lead for horticulture

WHAT YOU WILL BRING:

• A calm, organised and pro-active approach to your work.
• L2 horticulture qualification or equivalent experience.
• An appreciation of and commitment to the work and aims of Schumacher College and Dartington Hall Trust.
• Practical experience in fruit care and perennial plant propagation
• The ability to work openly and collaboratively with others to ensure we make things happen.
• An understanding of the importance of Health and Safety and a willingness to undertake further training as necessary.
• An openness and optimism for change.
• A flexible approach to working hours to fit in with the needs of the gardens seasonality.
