A LITTLE BIT ABOUT OUR FOOD...

As well as delicious, we want our food to be good – for the farmers, for the producers, for the animals, for the land, and for your palate. That's why we aim to only buy organic or best practice, local, sustainable and fair trade products. Below is some of our current suppliers (the number of miles from us is listed in brackets after each name).

Vegetables: We source almost all our produce right here on the Dartington Estate - The Walled Garden (0.3), Schumacher College Garden (0.5) - and from our friends at Riverford (4.2), and Cuddyford Meadow (7). We also use the local merchants Challices (3), who source locally and organically when possible.

Meat & Fish: We buy meat from various small producers, including the Dartington Deer Park (1), Pig Out (6.3), Sladesdown Farm (6) and Cuddyford Meadow (7), Staverton Butchery, aka Ben's Farm Shop (2.6). McCabe's Butchers (3) in Totnes. We buy our fish from Sole of Discretion (23), who support small-boat fishers using rods, lines, or static nets, or from Kingsfisher Brixham, who also support small day boats fishers.

Eggs and Dairy: Our eggs come from the hens at Eggs on Legs in Torquay. Milk, yogurt cheese comes from Riverford Farm Dairy (2.5), and we buy Sharpham cheese, organic Somerset cheddar and other UK cheeses from Totnes-based Country Cheeses (3.1).

Baked Goods: We produce most of our bread and baked goods here, but we supplement this with stellar products from Lamaro Bakery (3.3) and Hylsten Bakery (6.6).

Pantry & Dry Goods: We buy most of our ambient pantry goods from Essential Trading (113), a cooperative in Bristol who specialise in ethical, fair trade and organic goods and practices. We also use Doran Packaging (8.9) for disposables and Caterfood (7.8) for our compostable take-away containers, organic oat milk, and sundries.
