‘The freedom of this opportunity is truly remarkable’ - Artist
Dartington Trust has a rich history in providing a space for artists to develop their work. Our founders, Dorothy and Leonard Elmhirst invited many artists to come to Dartington, and those long-term residencies resulted in the growth of a thriving artistic community.

Recent Artists in Residence have included: Action Hero, Ana Maria Pacheco, Camden People’s Theatre, Sarah Gillespie, Tom Hammick, Jason Singh, Ella Frears, Kandinsky, Tamim al Barghouti, Harrison Birtwistle, Belarus Free Theatre, Tom Marshman, Counterpoints Arts and Emily Powell.
A Creative Community

As well as welcoming artists from all over the UK and abroad we have an Artist Development Programme which offers South-West/Devon connected artists free studio space for short periods. The opportunity is part of our work to help make art practice more sustainable in the region and to encourage the creation of bold, innovative and challenging work.

We think Dartington is a beautiful and inspiring place to come and make work.
‘I can’t tell you how grateful we are for all your support and care - we loved remaking the show at Dartington, and getting to put it in front of your generous audiences’ – Artist
