

Dartington Trust

Studio 3

Studio 3 is a split-level rehearsal room ideal for music rehearsals or workshops, but equally suitable for small-scale performance rehearsal or workshops, including movement and bodywork. Studio 3 has a wooden floor and is acoustically treated for very little sound reverb (ideal for recording).

Studio 3 has a mezzanine level on all four sides, which is accessible via stairs in the studio, or from the first floor of the Space studio complex (which is accessible by stairs or lift).

Seating Capacity: 160 - (60 on balcony & 100 on ground floor) with lift access to balcony)

Stage Measurements: 12.8m x 11.8m
(height to mezzanine 2.6m, height to ceiling 5.25m)
1900 sq.ft

Lighting: On request
24 channels

PA: Small in house system - Larger system on request

Projection: On request. Small, retractable screen fixed in studio

Power: 13amp domestic sockets

Piano: Steinway D Grand

Green Room: Access to green room adjacent to Studio 3

Access: DDA compliant with ramp access for equipment load-in

Studio 3 is not available to hire for public performance. All proposals for public performance at Dartington must be submitted to the Creative Director (Arts): emily.hoare@dartington.org for consideration by the curatorial team.
